Rock Bass			X

Map Acknowledgements

Data Collection: Data collected by Cason & Associates (summer 2016).
For inquiries or quotes please call 920-361-4088

Equipment: A Trimble R6 GPS receiver, Trimble TSC2 data collector, Ohmex Sonarmite echosounder, and cellular phone connected to Wisconsin's Continuously Operating Reference Station (WISCORS) network was used to complete a real-time kinematic (RTK) survey providing standard corrections of <1cm (horizontal) and +/- 3cm (vertical).

Data Editing and Processing: Ethan Bott and Casey Trickle (University of Wisconsin-Stevens Point)

Data Quality Control: Isaac Sargent (University of Wisconsin-Stevens Point)

Map Design: Kyle McNair (University of Wisconsin-Stevens Point)

Project Manager: Christine Koeller (GIS Faculty Associate, University of Wisconsin-Stevens Point)

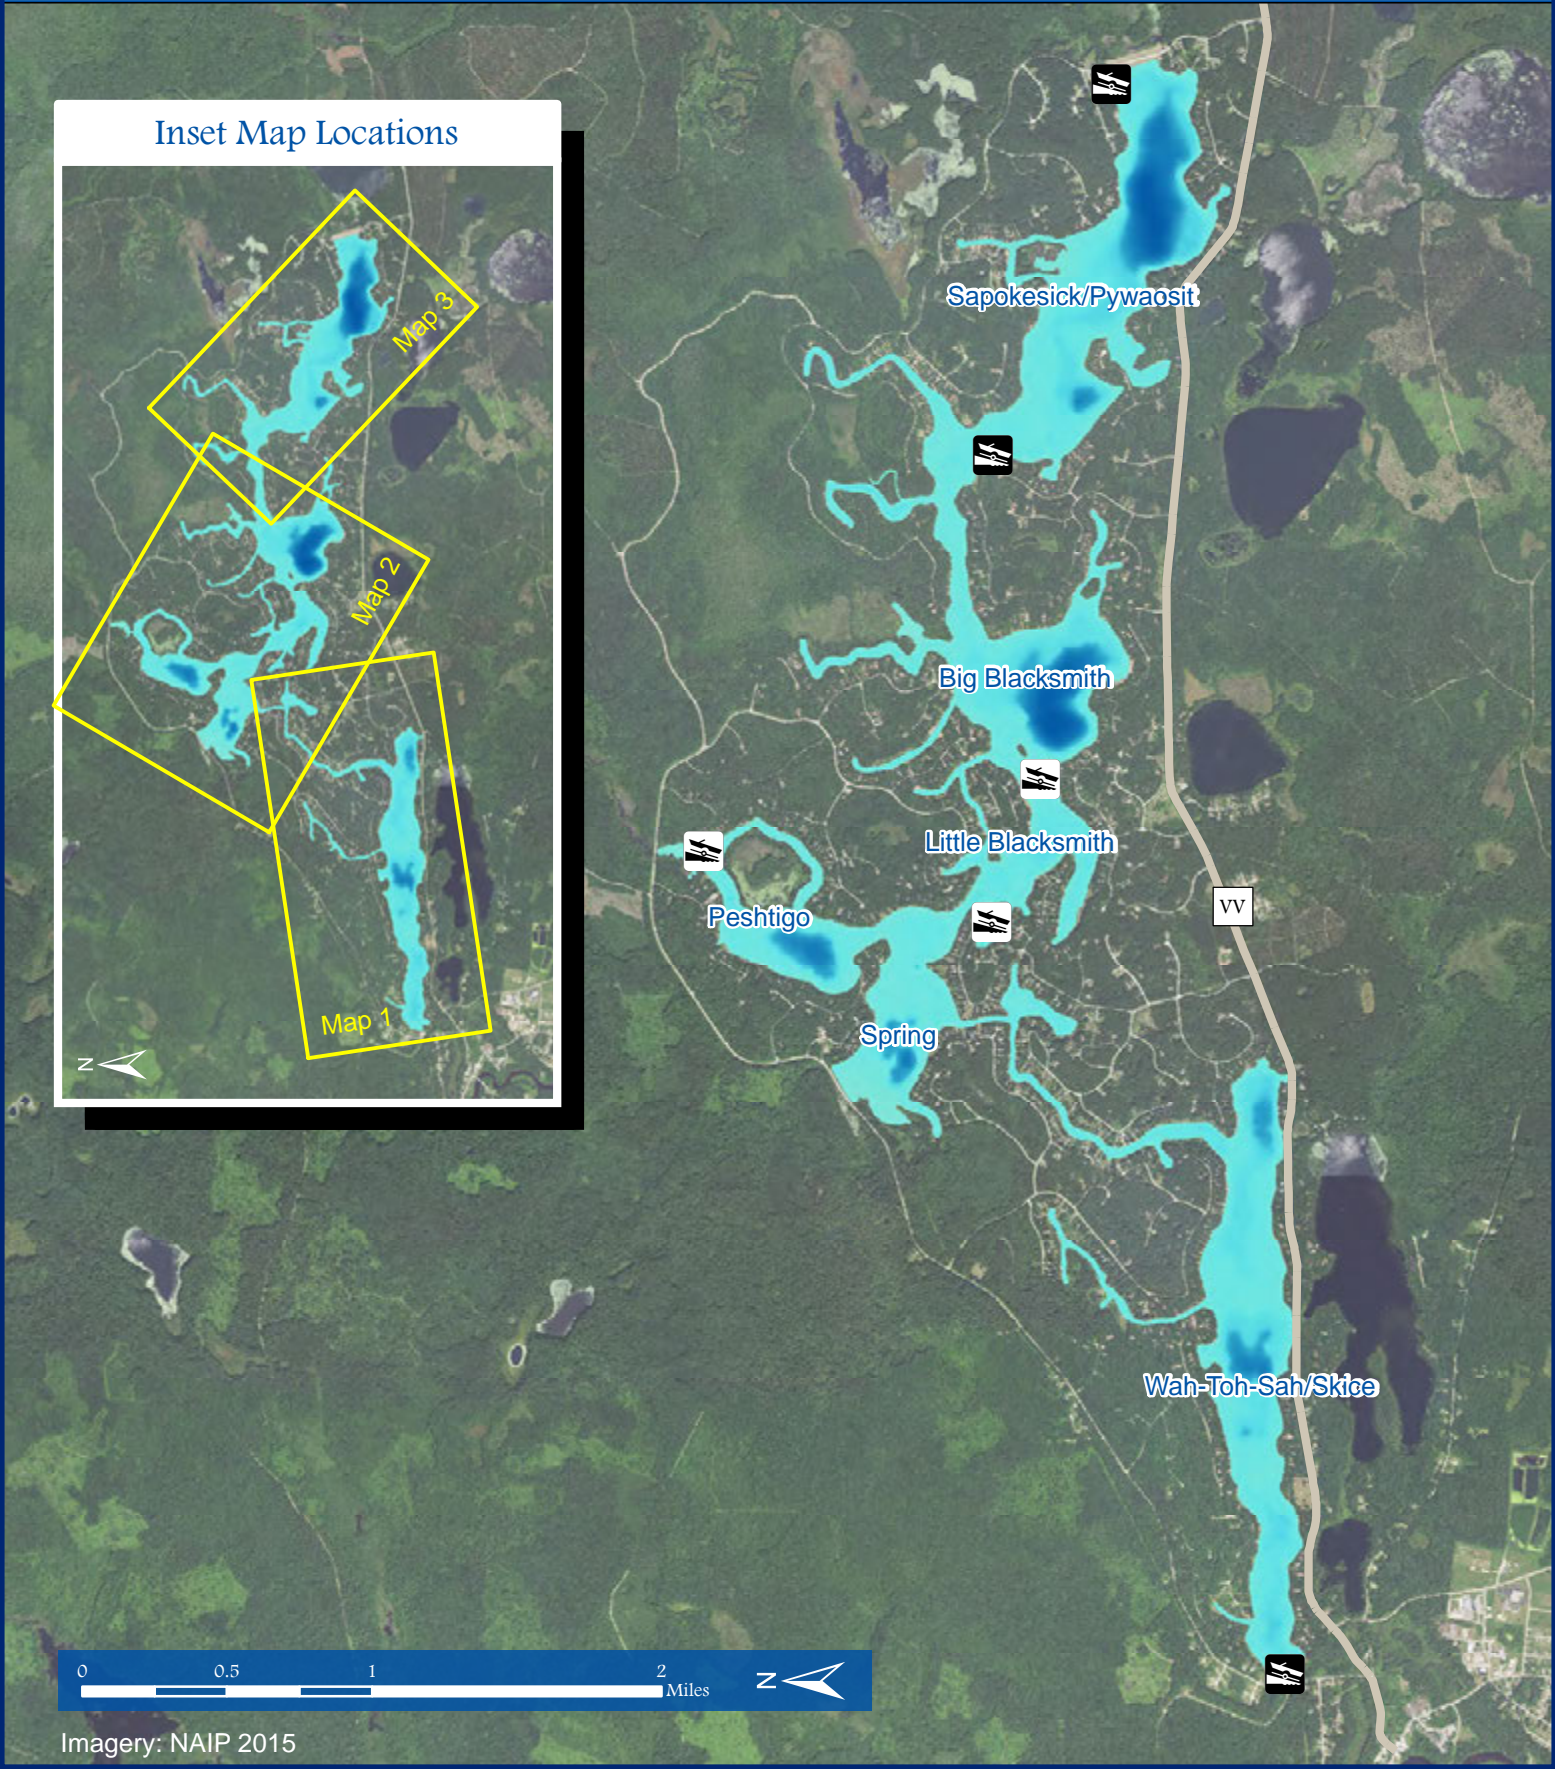

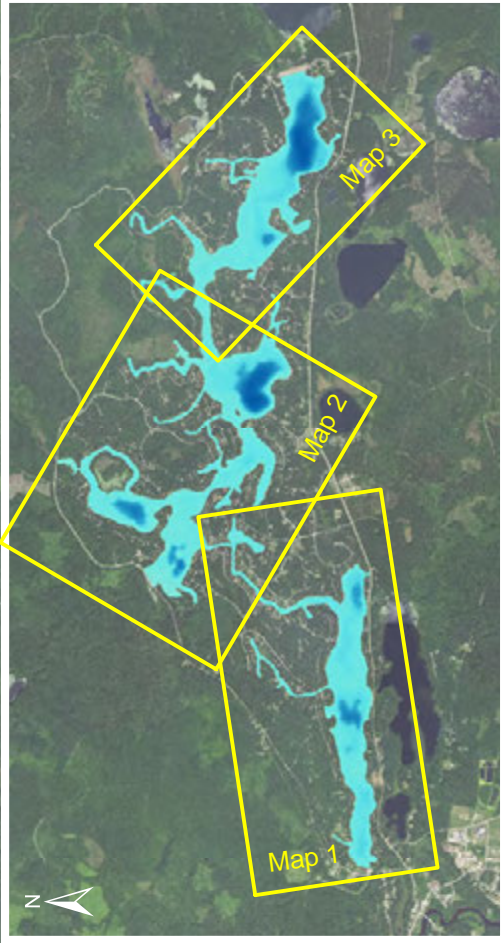

Legend Lake Bathymetric Map

Menominee County, Wisconsin

Lakes include: Wah-Toh-Sah/Skice, Spring, Peshtigo, Little & Big Blacksmith, and Sapokesick/Pywaosit

Volume	14107	Acre-Feet
Shoreline	38.4	Miles
Maximum Depth	76.3	Feet
Average Depth	12.1	Feet
Full Pool Elevation (above sea level)	845.0	Feet
Under 3 Feet Percentage	23.4	Percent
Over 20 Feet Percentage	22.6	Percent
Lake Area Without Islands	1171	Acres
Lake Area With Islands	1254	Acres

Inset Map Locations
